

Clarke Rubicon Environmental Policy

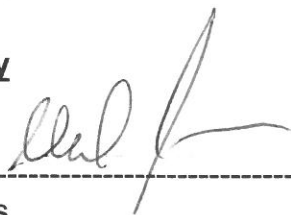

Clarke Rubicon is a manufacturer of Paper over Board Presentation Packaging, who recognises that its operations do have an impact upon the environment.

Clarke Rubicon is committed to protecting the local and global environment of the Earth. To minimize environmental impacts concerning our activities, products and services we shall: -

- Comply with applicable legal requirements and other contractual requirements or voluntary commitments to which the Company subscribes which relate to its environmental aspects.
- To include the consideration of environmental issues in all business strategies and initiatives.
- Clarke Rubicon senior management are committed to ensure that protection of the environment is firmly embedded in both the company's and all employee's culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.
- Prevent pollution, reduce waste and minimize the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Encourage environmental protection among suppliers and subcontractors.
- To investigate the feasibility of influencing its supplies, customers and third parties with consideration to life cycle impacts of their aspects and activities.

The Company is committed to continual improvement of environmental performance and in order to drive this will set ourselves environmental objectives. This policy will be communicated to all staff, contractors and suppliers and be available to the public through selected media.
